Ms. Nolan-

Are you looking for manifests associated with the recent Interim removal action? Or for a certain time period?

Ms. Jump:
I am going to put in a FOIA for the 104e letter/resposne, but I have an additional question.

Do you know if all of the HazWaste Manifests for the Clean Harbors/Safety Kleen site were collected for EPA or KDHE work on this, and are they in one place? If so, where? If not, any idea who I might contact to request them

Again, thank you.

Ms. Nolan-

I received your voice mail concerning a 104E letter for the Clean Harbors facility with regards to the NIC site. I will check the files tomorrow and get back with you.

Ms. Jump:

I am wondering about some items I cannot locate and maybe I am not looking at the index correctly or what I requested properly.

I am still looking for:

<!--[if !supportLists]-->• <!--[endif]-->Any/all correspondence and communications between the agency/agencies and Clean Harbors where the subject matter of the communication or discussion was about the clean-up standards or the Interim Remedy at the site.?

Please let me know.
